Olga Mineva Erasmus+ visit

February 13-17, 2017 at The Department of Education,

Faculty of Social Sciences, Vytautas Magnus university

Olga Mineva

Senior Consultant at CATRO Bulgaria

Due to Olga's systematic and people-oriented approach in every project of CATRO Bulgaria she adds value to every project of the company – from Recruitment to Organisational Consulting. Olga has academic degrees in Psychology at the University in Heidelberg, Germany and Occupational Psychology at the University of London, United Kingdom. She is also a certified NLP Practitioner by the International Trainers Academy of NLP, London.

Olga has been working on research activities such as development of training projects for Change Management and Leadership Skills (with Franklin Covey Leadership institute, Germany) or in the field of Empowerment and Empowering Leadership. In CATRO she is actively involved as a trainer in the development and conduction of various soft skills training programs for topics like Emotional Intelligence, Team Effectiveness, Change Management and Leadership Skills. Olga is also coordinator of some of the social projects of CATRO Bulgaria.
